February 2017**

Welcome to UHMRL 'Golden Oldies for Golden Oldies' for 2017.

We hope you had an enjoyable festive season and we look forward to our events for 2017.

Our program for 2017 is printed on the back of this sheet so please keep it for reference.

Changes may need to be made so always check to confirm close to the date.

January saw the UHMRL nominated for the Australia Day Awards. The Local Studies Group was also nominated and the members enjoyed the Presentation Event and Lunch.

Congratulations to the very worthy winners. Aberdeen has some wonderful people doing their best for the community. Volunteering is very life enriching and you can achieve something for your town.
