February 2018

Congratulations to all the nominees and winners of the recent Australia Day Awards. Kevin Taylor was thrilled and surprised to be awarded Aberdeen's Citizen of the Year at the award ceremony and lunch hosted by the UH Shire Council and held at the Aberdeen R.S.L. Club. He was not lost for words and is shown above making his acceptance and 'thankyou' speech. Kevin has been a lifelong member of the Aberdeen community, previously working at the Meatworks and now working on Aberdeen's history. He has many photos of the town taken over years and his memory goes back even further. He has produced a book and continues to write and record the history of the town. He is a regular contributor to the Library and the collection of photos and stories gathered by the Local Studies Group.
